

DEPAUL UNIVERSITY

FINANCIAL FITNESS

Do You Know?

How much school loan debt you can reasonably afford?

How to develop a “good” credit score and why you should care?

What to ask before choosing a credit card or bank account?

How to set up a budget that will work for you?

Financial Fitness can help.

Easy to Use Resources and Tools

Access the Financial Fitness Website to find tools such as budget templates, infographics on a variety of topics, tips and strategies for using your money wisely, and a variety of calculators. Calculators include:

\$ Student loan repayment

\$ Student loan repayment

\$ Take home pay

\$ Debt pay down

Talk to Someone in Person

Learn how to create a budget, build your credit, save, invest, fix “bad” credit, and more by speaking with an Accredited Financial Counselor. Topics include:

\$ Creating a monthly budget

\$ Financing study abroad

\$ Borrowing wisely

\$ Buying a home

\$ Developing a good credit score

\$ Learning how to invest

\$ Understanding student loan terms

\$ Repaying student loans
